## **TO WHOM SO EVER IT MAY CONCERN**

This is to certify that M/s Clean Coats (P) Ltd., Mumbai has successfully executed the turn key project of entire Epoxy coating in the manufacturing and allied areas of our recently completed formulation project at Modi Nagar. They have done epoxy flooring, PU wall coating, epoxy covings at junctions, flushing in tube light joints and view panels etc. The work was carried out in different areas like granulation, blender, packing, blister packing, wash area, raw material stores, finish good store, micro lab, corridor, drinking water tank and server rooms etc conforming to Gmp requirements.

Clean Coats have not only supplied the specialized Epoxy/PU material, which includes Clean Tech SLM, Wall Tech UV, Clean Tech PW, Clean Tech SLCF, Resin and Hardener, etc but also have undertaken responsibility of applying the material through their highly skilled contracting team. Their work is satisfactory.
