**TO WHOMSOEVER IT MAY CONCERN**

This is to certify that M/s. CLEAN COATS P. LTD., Mumbai (E-mail: [mktg@cleancoats.com](mailto:mktg@cleancoats.com)) has been a very reliable supplier to Welspun for speciality coatings for our pipelines – both internal as well as external. We have bought large quantities of these coatings like Epoxy Zinc Rich Primer - CLEAN TECH ZR Primer 80, Epoxy Mastic Primer – Corro Tech ST 80, Coal Tar Epoxy – CLEAN TECH CTE 150, etc. against our different projects like India Bulls Power Project, Nalco, Tata Power, etc. These coated pipes are supplied to various customers / Infrastructure projects in India and overseas.

They manufacture these coatings in their modern factory cum R & D Centre at Ambarnath, Mumbai and we are very happy with the quality, delivery schedule, after sales service, etc.

They also have an in house Contracting SBU and they also can undertake supply and apply turnkey contract and assumed the single point responsibility. Their quality of material, professional method of execution, etc. are very good and we have no hesitation in recommending them to any major projects.

We wish Clean Coats All The Best in their future endeavours.

With Regards,

For WELSPUN CORPORATION LIMITED,
